Hi Trina – I downloaded the ASTRX report, but I did not notice the glossary; I appreciate your pointing it out to me. This glossary will complement the one with have in the old Recycling Measurement Guide.

Many thanks,

Swarupa

Hi Swarupa,

The ASTRX Material Flow report has a glossary at the end with some definitions for beneficiator, MRF, reprocessor and maybe some other terms that might be helpful to you. See page 43: <https://astrx.org/wp-content/uploads/2019/05/ASTRX-Review-of-Material-Flow-at-MRFs-and-Reprocessors-1.pdf>
